SOSO

Soso is light and airy during the day time, candle lit and lounge-y in the evening. We serve carefully sourced and “proper food”, we have world class cocktails and great music on one of East London’s best sound systems. We have a 24 hour license to become a late night drinking and DJ bar during the week and a cutting edge clubbing venue at the weekend.

Soso offers world class drinks (sosholondon.com/drinks), friendly service and great food (sosholondon.com/food) in an award winning environment that is ideal for meeting friends and colleagues, holding a celebration, a party or a corporate event.

We accept bookings of 2 to 450 people, with a selection of tables, leather booths, private areas and the popular Soso Lounge (sosholondon.com/lounge). We have free Wi-Fi access throughout the bar, a gallery space and a variety of AV facilities.

Soso has a 24 hour license with established club nights (sosholondon.com/clubnights) running Wednesday to Sunday every week.

We also offer projection facilities, a creative approach to special and unusual events, secure cloakroom facilities for our full capacity and polite and professional door and security staff.
